

MAG-KADDY® CAB ACCESSORIES

TOTAL SOURCE®

FEATURED PRODUCTS

MAG-MIRR®

- The patented design of the Mag-Mirr® allows it to be positioned at virtually any angle on any ferrous metal surface.
- The Mag-Mirr® can be placed high on inside uprights or placed at eye level to be ergonomically correct.
- The strong magnet provides 60 pounds of holding power.
- The Mag-Mirr® is ideal for:
 - Forklifts
 - Skid loaders
 - Tractor trailers
 - Farm Implements
 - Construction vehicles
- Also available with acrylic lens for food service applications.

3¾" & 6" FLAT & CONVEX MAG-MIRR®

- Convex provides wide-angle view for large areas.
- Flat is ideal for seeing detail in small areas.
